THE LAGOON BAR

The management and staff of San Lameer Hotel are dedicated to being environmentally responsible, supporting Eco friendly practices as well as fairness to employees and colleagues.

The hotel itself is situated in the environmentally protected San Lameer Estate, where nature conservancy is of utmost importance.

The wines selected for the Lagoon Restaurant have been carefully chosen to reflect the ethos of the hotel and its values encompassing as many wines as possible from producers that share our values of being eco-friendly and ensuring sustainability, fairness and socially responsible practices.

So relax, go green and enjoy a bottle of fine wine!
