An aerial photograph of the San Lameer Estate at sunset. The sun is a bright, glowing orb in the upper left, casting a long, shimmering reflection across the ocean. The sky is a gradient of warm orange and yellow. Below the horizon, the land is covered in dense green forest and a winding river or lagoon. In the foreground, a golf course with several green fairways and sand traps is visible. A few buildings, including a large resort hotel, are nestled among the trees. The overall scene is peaceful and scenic.
